Custom Clearance Solution

In the global market place, rapidly changing demands on production and delivery schedules have placed increased responsibility on Customs House Brokers to provide expert Customs Clearance Services. Jassim Clearance (JSL Global) is among top 3 Custom clearance (Custom brokers) in Doha-Qatar.

JSL Global has capability to handle any type of project- containerised/break bulk/RORO at Doha port, Mesaieed Port and Ras Laffan Port. Apart from that you can rely JSL Global for your Airport as well as Land Customs (Abu Samra)/Qatar border shipments.

JSL Global is widely recognized as one of the leading customs brokers in Qatar and Middle East. Jassim Group (JSL Global) has long-standing professional relationships with government agencies and this hard earned and privileged status delivers a distinct advantage when it comes to negotiating difficult consignments and dealing with the challenges of bureaucratic procedures in the Middle East.

JSL Global Customs Services provides:

- Import / export customs clearance service at all ports in Qatar/Middle East
