Subject: Recommendation letter for JSL Global WLL (Doha-Qatar) for their local import-export clearance, temporary importation, local transportation for project cargo

Dear Sir/Madam,

This is to share that we have found JSL Global Doha professional in handling our Gold line Metro project Tunnel Boring Machine (TBMs) re-export & all formalities for temporary importation procedure for refund

We would like to highlight one of challenging project handled by JSL Doha in 2017 for us.

Details: -

Project Name: - Gold Line Metro, Qatar

Main project cargo handled: 02 TBMs / @6000 CBM / @1660MT/ 84 Pieces)

Scope of work: local re export formalities for temporary import-export permits, off-loading of cargo at port & loading in vessel using Mafi trailers, route survey, police permits & transportation from our site to Port

Time: @Mar-April, 2017

We would like to highlight that JSL Global's operation team especially at Seaport is quite proactive. They have helped us to have prompt approvals for our temporary importation cargo and given us good guideline for our difficult cargo with documentation issue etc. We also have observed that they have professional team in their Project Division.

We wish all the best & success to JSL Global Doha team for their future project work in Qatar & Gulf region

Thanking you,
Best Regards,

John Broumis
Plant & Equipment Manager
