To Whom It May Concern:

**RE: RECOMMENDATION LETTER FOR JSL GLOBAL WLL (DOHA-QATAR) FOR THEIR LOCAL IMPORT, EXPORT CLEARANCE TEMPORARY IMPORTATION, LOCAL TRANSPORTATION FOR PROJECT CARGO**

Dear Sir/Madam,

This is to share that we found JSL Global Doha, import-export & local clearance services satisfactory for our IDRIS MTS01, MTS03 importation (temporary & permanent) of several project cargo like TBM, Mud Car, Steel pipes, Generators, Locomotives, Rolling Stocks & other water treatment plant raw material importation for tunnelling.

We would like to highlight one of challenging project handled by JSL Doha from 2016 to 2018 for us.

**Details :**

**Project – IDRIS MTS01/03 (Inner Doha Resewerage Implementation Strategy)**

**Project cargo handled – 02 TBMs (Import) 02 TBMs (Export) / 3000 CBM/ 670MT/ 42 Pieces**

Scope of Work – Local import clearance & temporary import permits, loading of cargo at port, route survey, police permits & transportation till site, offloading of the cargo using suitable cranes

We would like to highlight that JSL Global's operation team specially at Seaport is quite proactive. They have helped us to have approvals for the special importation cargo and given us good guidelines/solutions for our difficult cargo.

We wish all the best & success to JSL Global Doha team for their future development.

Thanking you

Best Regards

Paul Viaules
